Sensory

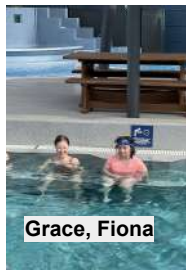

We have been enjoying our Sensory room and all it has to offer! Smelling the scents of aromatherapy, the relaxation of raindrops, the textures of shaving foam, the experience of a winter fire and so much more!

Mount Maunganui Hot Pools

A relaxing day out at the Mount Hot pools.. Ahhh just what the doctor ordered! What a lovely day it was enjoying the warm salt water of the hot pools. Letting the warm water flow as we float across the water, and then after enjoying a lovely picnic at Pilot Bay!

Library Visit

An amazing morning thanks to Tauranga libraries, they brought us a cool interactive experience! Painting on iPads, creating an awesome Lego city and mini car races. An amazing afternoon! Thanks Tauranga library!

Spa Day

Michelle,
Alissa

Susin

A wonderfully relaxing Thursday. And what an amazing treat our beautiful ladies, Michelle, Alissa and Susin had. A beautiful pamper day at the Ridge Country Retreat. The day started off with relaxing hydrating facial and neck massages, then a lovely dip in the warm waters of the relaxation pool. What an amazing experience!

Blueberry Picking

On a beautiful summers day what's the best thing to pick? Yummy juicy blueberries! So that's just what a group of us did. We went down to Redwood Lane Blueberries in Tauriko and picked a few buckets!

Then we brought them back to the Centre to make delicious blueberry muffins the following week. Yum!

Anzac Day Poppies

This April we were helping out our community and raising money for Anzac Day! Remembering the New Zealand and Australian soldiers who served and died in the war. Thank you so much to our awesome team, Josh, Tame, Malcolm and Duncan who went down to New World to help raise funds!

Art Deco Day

Such an amazing day celebrating the 1920s! We got all dressed up fancy like the ladies and gents of the Art Deco period! All about the sharp looks and geometric patterns. We learnt so many cool facts about the 20's, record players, the war period and the stylish way they dressed. Then we ended the day with a visit from an amazing saxophonist performance and a disco!

Goodbye Melissa!

Our gorgeous friend Mel left us this May...off to start a new adventure in Napier with her mum! Melissa has been at Arohanui for a long time and we are going to miss her infectious energy and beautiful face here everyday. Have fun Mel, we will miss you!

Knitting for Hospital

Lenaire

My name is Lenaire and it was quite a pleasure to knit for the prem and newborn babies, to keep them warm in the cold and wet weather. I love knitting very much! I would love to continue my knitting to make more hats for the beautiful newborn babies who are in hospital.

Community Volunteering Palmers Garden Centre

Our awesome volunteers Grace, Paul and Casey-rose! Every week they are down at the Palmers Garden Centre to lend a helping hand. Sweeping the paths and cleaning up, making it all tidy for the daily customers! Awesome job team!!
