

A big congratulations goes out to Keita for her work of art being bought by someone who loved it while it was on display at the IHC Art Awards.

Watch out New Zealand for more of this incredible artist!

Te Puke held it's big yearly show, 'Life is a Highway'. Pictured are Jessie, Nicole, Hannah, Brooke, Kate-Lynn, Jo, Abbie, Maxine, Kyra, Bryn, Sam, Hunter, Adriaan.

The theme this year was about not being content with today, but embracing tomorrow.

Greerton hosted a Talent Show one morning and Te Puke was invited. Big shout out to Hannah, (singing) and D.K, (dancing) for doing so well, performing 'Always Remember Us This Way', and we will, we will guys. Great result. We also has an electrifying rendition of 'Thriller' by Michael Jackson, well done to Keita, Abbie and Adriaan for a terrific display.

Farmer Brown of Pukehina Farm, had a visit from the team, who learnt all about feeding calves, riding motorbikes and all the amazing smells and sights that go along with farming.

Art is a strong theme at Te Puke, and we are always endeavouring to use different substrates, from wax and a yoga exercise ball, through to Sam trying digital art for the first time and trying to turn himself into a Kangaroo. It kinda happened, but paper maché and cutting out still reign supreme.

Te Puna Quarry Park had a visit as well, lots of beautiful walks and cool sculptures and great flowers kept Abbie, Kate-Lyn, Nicole Sage, DK and Bryn well content. Of course a picnic in pretty surroundings topped it off.

3Mirage is the name of a very cool Sensory place in Rotorua, where interactive lights and screens shows put on an amazing visual effect. It all looked a little surreal but by golly it was cool. Just ask Maxine, Abbie, Kyra, Sage and Jessie who were blown away.

Morning Tea at Blackbird Records Cafe, Te Puke. Maybe one of our better secrets of the town, this didn't stop Jo, Hannah, Kate-Lynn and Brookie from discovering its goodies and amazing hot chocolates!

**A Big Happy Birthday to ABBIE  
!!!!!!!**
