

TE PUKE AROHANUI

Coollest fishing trip ever!
We parked up at Karewa Island, (Sam's first time on a boat) and caught one fish - which we also had to throw back! Kyra drove the boat, Keita was Harbour Master and Sam was a very able Seaman.

Another great outing was to Marshalls Animal Park. Bob the pig, Steve the goat and Jennifer the fawn were very happy to see Keita, Jessie, Sage, Abbie, Sam and Kate-Lyn. They followed our guys everywhere, grunting, oinking and being really cute. Lots of other animals were enjoyed, all shapes and sizes, colours and smells.

February was spent exploring the community, dancing, washing the van and just getting out there and “Crushing it.”

Here we have:
 Hunter, Maxine,
 Hannah, Sam, Keita,
 Kyra, DK, Brooke
 and Nicole.

Another highlight was cruising down to Whakatāne and going to the Hunting and Fishing shop there. A trip to Whakatāne wouldn't be complete without fish 'n' chips at The Heads as Adriaan, Kyra, Jessie, D.K and Nicole found out.
